

MONARCHS

LEARN TO SKATE

Special Needs – All ages

The Monarchs are an organization that enables participation in on-ice sports regardless of intellectual or physical disability.

The athletes' journey begins with our Learn to Skate program which focuses on the very basics needed. Participants progress through one or more concentration, including special hockey, speed skating or figure skating.

Our mission of inclusion allows anyone to try something they may have never thought possible.

10 weeks
Wednesdays 6:20-7:20pm
April 7 – June 9, 2021
\$150 per person
